

UPPER CHETCO CHARTER SCHOOL

Vision

Our vision for Upper Chetco is that children and youth will experience the joy of learning in a serene environment that reflects the deep connection between human beings and the earth.

We believe that all students can succeed – although perhaps not on the same day or in the same way.ⁱ Children and adults collaborate to develop creativity, compassion, and competencies that will serve them in their roles as global citizens.

Mission

The mission of Upper Chetco Charter School is to create an individualized educational program utilizing the concepts of brain compatible learning and the Five C's™ Curriculum Framework.
